

COUNTY GOVERNMENT OF UASIN GISHU

GOVERNOR'S *Week in Review*

Date: 2nd - 7th March 2026 #KaziBilaKelele

HEALTH BOOST: KSH 68 MILLION MEDICINES FLAG-OFF

Flagged off essential medicines worth KSh 68 million for immediate distribution to all county health facilities. This ensures every dispensary, health centre and hospital has the drugs needed to provide quality, timely care.

The dispatch complements our ongoing construction and renovation of dispensaries and major facilities, many of which are now nearing completion and ready for commissioning.

We were joined at the flag-off by Principal Secretaries Dr. Kiprono Rono (Agriculture) and Dr. Festus Rono (Environment & Climate Change), together with IFAD Country Director Mariatu Kamara.

GREEN LEGACY LAUNCHED: INREMP KSH 34 BILLION PROGRAMME

Launched the Integrated Natural Resources Management Programme (INReMP), a **KSh 34 billion initiative led by IFAD in partnership with the national government and counties.**

The programme focuses on climate-adaptive farming, restoration of forests and wetlands, and protection of land, water and ecosystems for future generations.

Uasin Gishu has the honour of hosting the headquarters, uniting ten counties in this important environmental effort.

Areas of focus

- ✓ Climate-adaptive farming
- ✓ Restoration of forests and wetlands
- ✓ Protection of land, water and ecosystems

FERTILIZER SURGE: PLANT NOW!

As Kenya's agricultural breadbasket, I visited the Eldoret National Cereals and Produce Board (NCPB) depot to confirm fertilizer availability. More than 500,000 bags of subsidized fertilizer have already reached our stores.

With good rains continuing through May (as forecast by the Kenya Meteorological Department), this is the perfect window to plant. I urge all farmers to act quickly and make the most of these conditions.

PS Dr. Paul Rono (Agriculture) and PS Dr. Eng. Festus Ng'eno (Environment & Climate Change) joined the visit.

ELDORET FORWARD: CITY BOARD PERFORMANCE CONTRACT SIGNED

Our City of Eldoret is fast becoming a major economic hub. To ensure orderly and accountable development, we signed a performance appraisal contract with the newly inaugurated City Board.

The agreement sets clear, measurable targets for improved service delivery, greater transparency and efficient management, positioning our city for sustainable prosperity.

STRONGER U.S. PARTNERSHIP: HEALTH & EMERGENCY SUPPORT EXPANDED

Our long-standing partnership with the United States continues to deliver results. This week I hosted William Echols (Head of Internal Affairs Unit, U.S. Embassy Nairobi) and George Morara (Senior Political Specialist) for productive discussions on expanding cooperation.

U.S. support has already strengthened our health sector, emergency response systems, medical training and disaster preparedness through donations of ambulances, fire engines and related equipment.

HONOURING HON. JOHANA NGENO: REGION UNITED IN GRIEF

The nation continues to grieve the tragic helicopter crash that claimed the life of Hon. Johana Ngeno, MP for Emurua Dikirr, and five others. A dedicated servant and advocate, his legacy endures.

I visited his family in Karen, Nairobi, to extend heartfelt condolences.

Later, I saw off a delegation of North Rift artists and content creators traveling to Mogondo for the joint memorial service, night vigil and final send-off, a deep solidarity across our region.

GOVERNOR'S Week in Review

Date: 2nd - 7th March 2026

#KaziBilaKelele

SMART FARMING SPOTLIGHT: ELDORET ASK NATIONAL SHOW

We graced the Eldoret ASK National Show, themed **"Promoting Climate Smart Agriculture and Trade Initiatives for Sustainable Economic Growth."**

The event showcased modern farming technologies, value-addition solutions and market opportunities.

Our region has huge potential we must keep diversifying crops, embracing agritech, strengthening value chains and expanding markets for our farmers.

COUNTY GOVERNMENT OF UASIN GISHU
DEPARTMENT OF FINANCE AND ECONOMIC PLANNING

ON PENALTIES AND INTEREST ON OUTSTANDING LAND RATES

His Excellency Dr. Jonathan Bili Chellim, E.G.H., Governor of Uasin Gishu County, wishes to inform all property owners that a 100% waiver has been granted on all outstanding interest and penalties on land rates.

The waiver shall be valid upto **31st March, 2026.**
